

PUBLIC NOTICE

Pre-Waiting List for Bayou Grande Project-Based Voucher Assisted Units- Waiting List Preferences

The Housing Authority of the City of Shreveport (HACS) posted a public notice on 04/23/21 to announce the opening of a pre-waiting list for project-based voucher units at the future Bayou Grande community. That notice referenced waiting list preferences that would be established to meet the goals of the Choice Neighborhood Initiative, as recommended by HUD. The HACS Board of Commissioners approved the following Waiting List Preference Tiers at its May Board Meeting, as amendments to its PHA and Administrative Plans:

Tier	Population Description
Tier 1	Former residents of Naomi Jackson Heights (Head of Household or other documented members) in good standing at the time of demolition currently receiving HUD subsidy
Tier 2	Former residents of Naomi Jackson Heights (Head of Household or other documented members) in good standing at the time of demolition no longer receiving active HUD subsidy, but that are income eligible and living within the Choice Neighborhood boundaries
Tier 3	Former residents of Naomi Jackson Heights (Head of Household or other documented members) in good standing at the time of demolition no longer receiving active HUD subsidy, but that are income eligible and not living within the Choice Neighborhood boundaries
Tier 4	HACS-assisted residents in good standing at risk of displacement
Tier 5	Eligible households on an HACS waiting list that are living within the Choice Neighborhood boundary
Tier 6	Eligible households on an HACS waiting list that are not living within the Choice Neighborhood boundary
Tier 7	Eligible households on a non-HACS subsidized housing waiting list that are living within the Choice Neighborhood boundary
Tier 8	Eligible households living in overcrowded situations, residing in substandard housing, experiencing rent burden, or living in service enriched transitional housing in the Choice Neighborhood
Tier 9	Any eligible applicants living within the Choice Neighborhood boundary
Tier 10	All remaining eligible applicants

Selections of eligible applicants will be made by qualifying unit size, waiting list preference tier, and date/time of application. The first preference tier will be exhausted of all pre-applications, prior to moving to the second preference tier, then the third, and so on. Waiting list preferences will be applied to all submitted applications.

Pre-applications can be completed online at: <http://bit.ly/bayougrande> or <http://bayougrandeapts.com>. For assistance by phone, to amend a previously submitted application, or to schedule an appointment, please call (318) 221-6663. Appointment and question requests can also be sent by email to BayouGrande@itexgrp.com.

HACS and its partners are committed to Fair Housing and the achievement of Equal Housing Opportunity.
